

Peers Wanted

Our Vision

The Summit Preschool is a partnership with families, districts, and communities that creates a lifetime of learning through meaningful play experiences, creative thinking, and problem solving opportunities to build a foundation essential to the unique development of each and every child.

About the Summit Preschool

Preschool programs are offered to children at economic disadvantage or educational risk, children typically developing, and children with disabilities. This includes an integrated setting where functional, developmentally appropriate activities are developed to facilitate growth in each child. 70+ professionals serve over 400 families in ten school districts, including speech-language pathologists and a full range of instructional and support services.

Our Staff

Each classroom contains a special education preschool teacher and up to two classroom assistants. Additional support staff may include: speech therapist, physical therapist, occupational therapist and individual attendants
