

Light Up The Falls and Support School Safety

With your \$5 donation you will receive a yellow light bulb. This bulb will empower you to let the students in Cuyahoga Falls City Schools know that you care about school safety and support the effort to increase it. We are asking that for the month of May, you use this bulb on your front porch light and keep it on all night to show students that you stand with them in their efforts to keep our schools safe.

Proceeds from this fundraising campaign will directly benefit the school that your bulb(s) is picked up from.

Cut Here-----

Name _____ Phone Number _____

Student Seller _____

Number of Bulbs Needed _____ x\$5 = Total Enclosed \$ _____

Please indicate what building you wish to directly support and where you will pick up your yellow light bulb(s) from:

_____ CFHS _____ Bolich MS _____ Roberts MS
