

January 2019

To all Parents/Guardians and Students of Cuyahoga Falls High School:

As of the spring of 2017, the state began funding a college and career readiness test for all juniors; Cuyahoga Falls has chosen to administer the ACT as its college and career readiness test.

**We will be administering the ACT online to juniors on Wednesday, February 20. All sophomores will be taking a practice ACT in paper form on that same day. In order to create the best testing environment possible for the sophomores and juniors, all freshmen and seniors will be working from home that day on alternative assignments.**

Please be aware that the ACT on February 20 will **not** include the writing portion of the test. Unfortunately, this is not a district decision and students are not able to add the writing portion of the test on that day.

All students who participate in a Six District Compact Career program are expected to be at Cuyahoga Falls High School on Wednesday, February 20 to sit for the ACT. These students will be excused from their programs on this day. No Six District Compact Career programs will run on this day except for Cosmetology students who are seniors.

Students who are absent on February 20 will be allowed to make up the ACT on Wednesday, February 27.

Free practice materials for the ACT are available on the Ohio Department of Education website: <http://education.ohio.gov/Topics/Testing/ACT-and-SAT-Practice-Tests>

Freshmen and seniors will receive assignments from their teachers that will be due when they return to class on Thursday, February 21. Many of these assignments will be completed via Google Classroom and/or other online formats. The expectation is that freshmen and seniors will use February 20 as a work day for these assignments.

Please contact your child's counselor if you have any questions.

Thank you.
