

Student - Personal Technology User Agreement

This agreement establishes a legal relationship and practice between student users of personally purchased and owned technology and the Cuyahoga Falls City Schools' right to protect its network and resources, including the District's legal obligations on privacy of information. The Cuyahoga Falls City Schools' Instructional Technology Department provides network and resources as a part of the mission of the Cuyahoga Falls Board of Education. In that regard, each user of any provided network services, or resource, agrees to comply with the Acceptable Use Policies of the Cuyahoga Falls Board of Education, as well as all City, State and Federal regulations governing said use.

I agree to comply with the board policies and statements when using my personal technology on the Cuyahoga Falls City Schools network, OR within the confines of Cuyahoga Falls Board of Education property. The full policy can be found online or a copy can be provided in the office
