6-12 Grade Attendance Reporting Procedures

Please refer to this document for information pertaining to attendance procedures and information.

If your child is ill, has an appointment, having technical issues, or for any other reason can not attend their scheduled meeting times we ask that you call the office of his home school, listed below, and inform the secretary of that building. The secretaries will then notify the teachers as to why the student was not in their class. If you fail to call your student off, you can expect to get a call from the school stating that your child is not in attendance.

If you call your student off for an appointment that will not take the entire day, please let the secretary know what time you expect your child to be back in their scheduled class so the teachers will be able to anticipate them rejoining the classroom. You can then call to let the secretary know when they are back so that accurate records of their time may be kept. Thank you for helping us with the recordkeeping.
