

If your child is enrolled in Cuyahoga Falls City Schools, and you would like for them to attend school virtually, please complete and submit a virtual learning option application. One application must be submitted for each student requesting a virtual transfer. Virtual instruction will be contracted through the Educational Service Center of the Western Reserve; the [ESC Parent Information page](#) may be able to answer some common questions.

We will consider requests to be assigned to the virtual learning based on several factors including, but not limited to:

- The number of students already assigned to the appropriate grade level and program has not violated class size limitations.
- The student’s final grades reported for the 2020-2021 school year were representative of age appropriate achievement.
- The student was not classified habitually truant during the 2020-2021 school year according to the State’s HB410 attendance guidelines.
- Student specific services will be considered prior to a determination being made.
- College Credit Plus and some AP courses will not be available through the ESC.
- What does the daily schedule look like?
 - Elementary students will receive instruction via Zoom for approximately 1.5 hours daily.
 - Students in grade 6 will receive instruction via Zoom for just over 1 hour daily.
 - Students in grades 7-12 may be scheduled for up to four courses daily.
 - Additionally, morning and/or afternoon teacher office hours may be scheduled.

Once your application has been reviewed, you will be contacted by email with a determination and further instructions.
